

「Which ?」

Animals 2

KDK

Please choose an animal whose name is at the top of the page.

Please click (touch) .

If the answer is correct, it will change to the next page.

If it is wrong, it will remain on the same page.

Please read to the learner who can not read the letters.

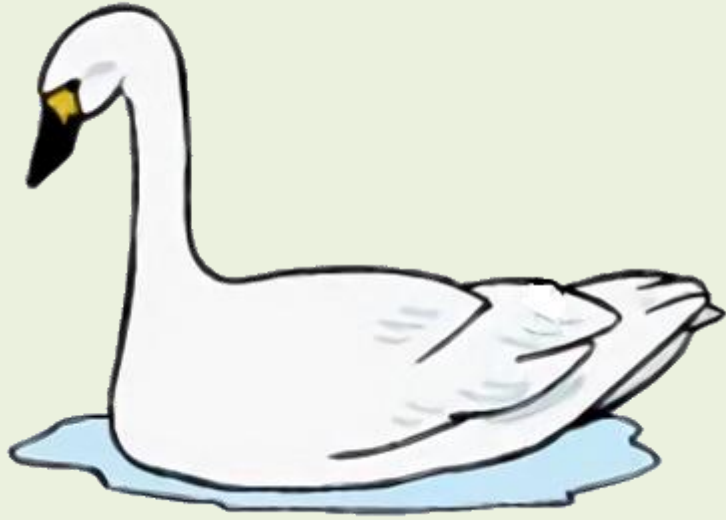

Let's do it alone when the learner can read the letters.

If you can do it to the end, let's do it again.

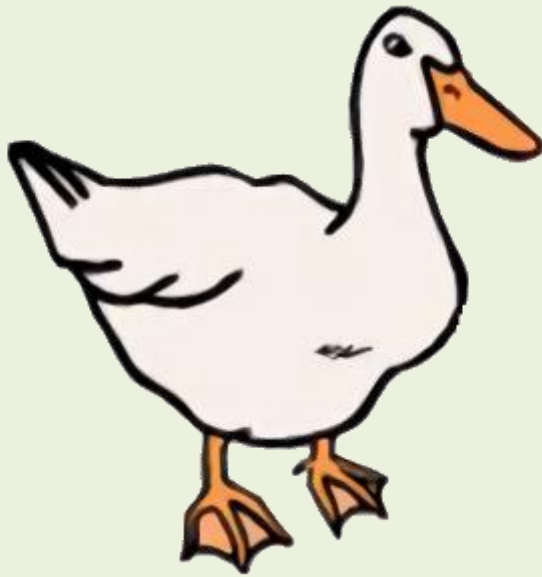

Let's memorize the names of 57 animals.
